

“We tailor our business to provide solutions to your challenges. We want to make your IT less complex, save you money, and allow you to focus on your core business. Let us help you be more efficient.”

— Frank Pelli
President/CEO, Metro Business Systems, Inc.

who IS METRO?

Metro Business Systems, Inc. fulfills the growing demand for affordable, quality technology products. We have the prices, availability and timely fulfillment operations our customers demand. Our manufacturer-refurbished and Metro Refurbished inventory of computer and electronic hardware is constantly evolving with customer need.

Over our 30-year-history, we have worked with numerous E-tail, E-commerce, national retailers, wholesalers and rent-to-own business-owners. Through dedicated service and in-depth industry knowledge, we have grown to more than \$100 million in sales. Nationwide, we are one of the top Microsoft Authorized Refurbisher (MAR) distributors and one of IBM Global Asset Recovery Services' (GARS) largest resellers.

Metro Business Systems was founded in Stamford, Connecticut by Frank Pelli and Ralph Boccuzzi. We immediately became a leader in offering the latest technology to our clients. Metro is one of the first companies of its kind and has survived many evolutions in the industry. Our main priority is to stay abreast of the latest technological advancements to offer effective solutions to our clients. Our adaptability separates us from the rest.
